**LOS ANGELES and NEW YORK, December 7, 2000** – Univision Communications Inc. (NYSE: UVN) and USA Networks, Inc. (NASDAQ: USAI) jointly announced today that Univision will acquire USA Broadcasting, the television station group of USA Networks, for \$1.1 billion in cash. The acquisition will expand Univision’s ability to serve the Hispanic community and will provide the company with duopolies in seven of the top eight Hispanic markets. It is expected to be accretive during the first full year of operation.

USA Broadcasting, a division of USA Networks, Inc.’s Entertainment unit, is the tenth largest television broadcast group in the nation. Under the agreement, Univision will acquire USA Broadcasting’s 13 fully owned full-power stations as well as USA Network’s minority interests in four additional full-power stations. Univision currently owns and operates 12 full-power and seven low-power television stations, including full-power stations in 11 of the top 15 U.S. Hispanic markets.

“As the U.S. Hispanic market continues to expand, we believe there will be tremendous demand for Spanish-language entertainment,” said A.
